

EDUCATION PACKAGES

Summit Indoor Adventure is North Yorkshire's newest visitor attraction, based in the heart of Selby. We offer a unique, fun and stimulating learning opportunity for your school, with a variety of packages designed to bring out the best in your pupils.

We will tailor a bespoke package for the needs of your schools. We offer opportunities for schools to deliver curriculum outcomes in Key Stages 1, 2, 3 and 4 for physical education, such as adventurous activities, fitness and wellbeing skills and activities.

Our highly experienced, qualified instructors can build a programme based on your specific learning outputs.

For example:

- Taking part in adventurous activities (PE)
- Fitness and wellbeing skills and activities (PE)
- First hand practical experiences (Sc)

LEARNING OUTCOMES

- Leadership, teamwork and communication
- Enthusiasm and motivation for learning
- Overcoming new challenges with the support of their peers, teachers and our instructors helps to improve self confidence
- Reaching goals as a team means pupils are able to recognise the achievements of others as well as their own

KEY STAGE 1 ACTIVITIES

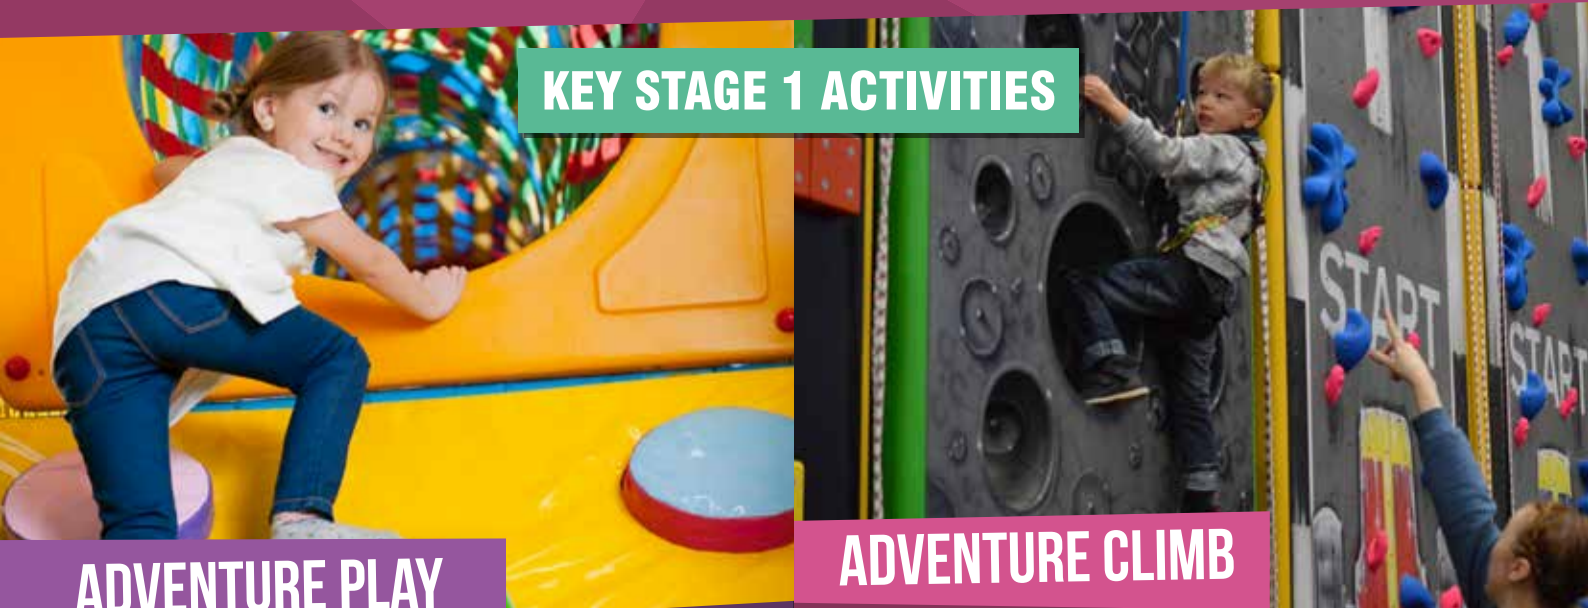

ADVENTURE PLAY

Our huge adventure play area is a fun, stimulating experience for pre-school and school age pupils.

For pre school children we have a soft play zone where they have fun in a safe, controlled environment. For reception and upwards, our play area is a giant assault course where you climb, bounce, crawl, roll and run your way through.

ADVENTURE CLIMB

Our unique auto belay system means that your pupils can climb safely in confidence. We have 20 walls for them to scale. Each wall is unique and presents different challenges, but they will feel on top of the world which ever they conquer

KEY STAGE 2, 3 & 4 ACTIVITIES

ADVENTURE PLAY & CLIMB

As well as a general climb session, the climbing walls are suitable for practice prior to a GCSE PE assessment.

RIDE & SKATE

Give your pupils the chance to try our indoor skate park. No one needs to miss out – we have BMX bikes and scooters with full safety kit to hire as part of your package. All pupils will be given a full safety briefing and we can bring in a specialist teacher if requested (price available on request).
